

Fund Objective

The objective is to provide our clients with long-term investment opportunities in companies where there are substantial distortions between the negotiation price and the assets' intrinsic value.

The information contained in this material is merely for information purposes and should not be considered an offer to sell or a solicitation to buy funds' shares or any other financial assets in any jurisdiction in which such an offer or solicitation is unlawful. Investors should contact their financial advisors for more information. Bogari Gestão de Investimentos Ltda. does not distribute the fund's shares or any other financial assets. Prospective investors should carefully read a copy of the fund's prospectus and bylaws prior to making an investment in the fund. The fund's bylaws should not be considered to be legal, tax, investment or other advice, and each prospective investor should consult with its own counsel and advisors as to all legal, tax, regulatory, financial and related matters concerning an investment in the fund. The prices and returns are net of all fees and gross of income taxes. The fund may use derivatives as an integral part of its investment policy. The use of such instruments may result in significant losses for its investors, including losses superior to the fund's net asset value. In such circumstances investors will be obligated to invest additional resources in the fund in order to cover any shortfall. The fund may be exposed to a significant concentration in assets issued by few issuers, being subject to the consequent risks. Past performance is not a guarantee of future results.
